

COME PARTICIPATE IN GOD'S TRANSFORMING WORK

Touch the arms of dying patients, participate in a construction project, or be a mentoring influence in the lives of Africa's orphans. Send a church leader or a team of passionate congregation members for a two or three-week trip.

Or come as an individual serving in one of these categories: Mid-term (less than three months), to learn and serve at our base in South Africa; or Long-term (longer than 6 months), to build capacity in leaders and organisations across Africa.

Hands at Work in Africa, a multi-denominational Christian non-profit organisation based in South Africa, envisions the local church in Africa partnering with the church outside of Africa to effectively care for the orphaned, widowed and the dying.

Working in vulnerable communities across sub-Saharan Africa where HIV/AIDS, poverty and orphan rates are at their highest and support structure is very low, Hands at Work's heart is for all those in need, regardless of race, class or religion. Since 2000, volunteers from all over the world have traveled to South Africa to be equipped and empowered to serve in communities benefited by their skills, encouragement and support.

"LET US NOT LOVE WITH WORDS OR TONGUE BUT WITH ACTIONS AND IN TRUTH." (1 JOHN 3)
